

SHRIMP TAGS

Our **Shrimp Tags** are the largest selection available as we offer 12 color choices and we can provide any number sequence required. The colors available include *Black, Orange, Green, Red, White, Purple, Grey, Yellow, Brown, Dark Blue, Light Blue, and Light Pink*. Our tags are perfect for marking broodstock and for many other uses such as marking fish and poultry. Each tag is split allowing it to be opened with a spreading tool that is included with each order. All tags are sold in lots of 100 pieces. Please note that we can provide number sequences above 100 if required.

PRODUCT NO.	DESCRIPTION	UNIT PRICE

TRANSPORT BAGS (CLEAR POLYETHYLENE)

Providing the highest quality products is our main priority. Transporting live product is vital to the success of our clients globally. Our *Transport Bags* allow our clients to ship their product in the most durable bags in the industry and not have to worry about anything but ensuring the animals arrive at their destination successfully. Each of our *Transport Bags* are manufactured of the highest quality Clear Polyethylene. Our standard bags will meet any shipping need as we offer a wide variety of sizes. All of our standard sizes come in a thickness of 3 mil (4 mil for 15" x 15" x 22" and 16" x 8" x 22" Bags).

Our standard bags come in either *Bottom Seal* or *All Square Bottom*. The various styles that we can manufacture in addition to our standard offerings include:

- Sideweld, Pocket,
- Door Knob ,
- Lip Type,
- Staple
- Packed,
- Wickented,
- Vented Header ... and more.

We can also manufacture bags with layflat Widths from 1" to 43-1/2" and Lengths from 1-3/4" to 110". We can also manufacture Transport Bags in a wide variety of thicknesses from 0.00075 mil to .008 mil. Please consult with an AREA *Technical Representative* for pricing and specifications for custom sizes.
